KILLIAN REPORT

During the last six months 219 classes in 85 different courses, with an average weekly enrollment of 739, were conducted during duty hours by the Office of Training. In addition, 88 classes in 14 different languages with an average weekly enrollment of 275 were conducted during off-duty hours as a part of the Agency Language Development Program.

Under the provisions of Public Law 110, 564 employees were approved by the Director of Training and entered various programs at external facilities during this period.

Besides language training, there were trainees attending academic type courses, Senior War Colleges, Executive Development and Management Programs, Missile Orientations, and some activities as
